Report from Parks Chair:

1) working with city to get an official volunteer beach cleanup program going. I believe the city has finally totally cut all lifeguarding services and full-time Park staff only stopped by the beach once or twice a week. the idea behind this is that it will help do some of the cleaning the lifeguards used to do to help keep bacteria levels low.

2) working with Dane county parks to take over coordinating efforts for Tenney Locks gardens that Gigi used to do.

3) Working with neighbors on routine seasonal planting/ maintenance/ mulching needs in the parks
